Link Direct Download: File (137.1KB, 462 views) Join us next week when we welcome to the house of the Big House 12's best Melee Power Rankings! The tournament itself has just concluded, and we need your help to keep it going on until it starts today. You can vote up or down to see which players made the main roster as top tier at tournaments last weekend. Vote for your favorite player and watch them compete. The voting starts Friday at 12 noon PST and will run until we're done with it. For those who are new to the bracket system, read through our introduction before reading through it for each round. We don't expect the brackets to be finished until we actually see one at our event. Let's go!.

Perhaps it has to do with politics and the way it can be used to further our own personal agendas and to make our own decisions. Perhaps it is the lack of a strong opposition and a willingness within our public to challenge our rulers. Perhaps it's the way that the dominant elite are using the ballot box to advance their own interests at the expense of the people that makes it increasingly necessary to challenge those in power and challenge the government. Whatever the reason, it is clearly not possible for this system to work. People cannot vote according to the dictates of an establishment that is the product of centuries of indoctrination and a century of class privilege.. 3. All tournaments must start with a double elimination set of four sets of four, a maximum of 6 matches per set. The top four players from the singles final set will be invited to the main stages of the tournament.
